VOLUME 37

FRIDAY MARCH 2nd 1945

NUMBER 41

Stake Green and Gold Ball Big Affair

The Green and Gold Ball last Friday night, comprising all the wads of the Stake was a very successful event and the large Opera House was crowded with dancers and spectators gathered for the event. Nolan's Canadians were on hand to dispense the music and every dance found the floor full. The lovely new curtains and drapes recently purchased by the Opera House management were in use for the first time, and everyone was commenting favorably on the beauty of these drapes. They are so arranged so that when not in use they are all run into a box at each side of the stage and are well protected from dust and needless wear. The colors are attractive and the cloth is a very fine and rare material.

The entrance of the Queens took place about 11 p.m. and they were announced by Pres. John L. Allen of the Stake Y.M.C.A. and each was presented with a compact by Mrs. J. H. Walker, Pres. of the Y.W.M.C.A. Pictures were snapped of each Queen and her consort as they advanced down stage from the entrance.

After this event a group of dancers from Magrath presented a very lovely dance demonstration and then the Queens with the Bishop of each started a dance circling the floor several times after which the crowd joined in the Queen's dance.

Services For Mrs. Fred Cook

Funeral services for Mrs. Fred Cook whose death was reported last week, were held in the 2nd Ward chapel Friday afternoon last with Bishop L. L. Palmer in charge and Jos. McLean conducting the choir with Mrs. Emma Dahl at the organ. There was a lovely lot of flowers covering the beautiful pearl grey casket and the rostrum.

The choir sang "Abide With Me" and Elder Jas. S. Anderson offered prayer, after which Mrs. Emma Dahl and Mrs. Ruth Sahronius sang a duet "The Old Rugged Cross."

S. I. May, a neighbor of the family for the past eight years, was the first speaker and paid tribute to deceased a loving and devoted mother who had raised a large family and was deeply mourned by all of them at his time. He spoke on the resurrection and read two of Edgar A. Guest's poems "Faith" and "The Mother Watch."

Jas. B. Barker sang the solo "He'll Wipe the Tear from Every Eye."

Elder Louis Brantley who had lived neighbors to the family for a long time spoke of the purpose of life and of the nearness and inter-communication between this world and the spirit world and related a family experience illustrating this. He urged the family to cherish the memory of their mother and to live so that when they passed on they could join her in the eternal home and again enjoy her companionship and love. He read a poem in concluding his talk.

Bishop Palmer spoke briefly and urged all to be ready to meet death at any time, as it would come to all of us, and when the grim reaper called we had to go. He thanked all for their assistance to the family in their sorrow.

The closing hymn was "Nearer My God to Thee" and the benediction was pronounced by Elder Rulon Dahl.

Bud Palmer went to Calgary this week to see the military authorities there.

Mrs. Reg. Cooper spent the week-end in Cardston with her sister Mrs. Wm. Cooper who celebrated a birthday on Sunday.

Thermometers really did a nose dive Thursday night and early Friday morning when they reached 22 below zero. The weather moderated appreciably on Sunday.

OLD FOLKS DAY WEDNESDAY

The Annual Honored Guests Day at Raymond and district will be held on Wednesday, March 7th in the Opera House. Committees have all arrangements made and the usual fine dinner, program and evening of dancing is planned, the latter for all married folks of the town. S. B. Chad and H. M. Witbeck are Ward Chairmen in the two wards and are assisted by a large group of willing workers who make this a red letter day each year in the lives of our elderly people.

LIONS VARIETY SHOW NEXT FRIDAY

The local Lions Club is staging a variety Show next Friday night in the Opera House featuring Elsie Persson, noted violinist of Lethbridge also Magrath talent and local material too. The program is slated to start at 8:15 sharp and no one will be admitted during the rendition of numbers.

Each ticket will entitle the holder to a chance on a box of chocolates so buy your ticket today.

The Red Cross Helps Everyone

Canadian Red Cross is built on the outward expression of the generous heart of the Canadian people. If it has a proud record of war service, it is because you, and your neighbor, the mother of a lad in prison camp, the wife of a sergeant in the front lines, your corner grocer—because all of you pulling together, have written that proud record.

It is campaign time again. This March Canadian Red Cross is asking for Ten Million Dollars to carry on its tireless mission of mercy, and the need is greater now than ever before. Why?

Because the responsibilities of Red Cross have increased. The highways of Europe are choked with hungry, homeless people. They turn to Red Cross as to a never-failing friend. It is our privilege now to live up to the faith— to help them in their urgent need.

At the suggestion of the Canadian Government, the Canadian United Relief Fund is collaborating with Canadian Red Cross to bring help to these suffering people. By this effort additional aid will be sent to Allied Red Cross Societies for distribution to the stricken civilians of the United Nations. Already some 4,346 tons of relief clothing and food have been sent.

And this is only part of it. Food parcels must go forward to keep our prisoners of war alive, and in good health until they are repatriated and homeward bound again. We have heard of the arrival of a shipment of Crosses as you would give to YOUR one million food parcels for distribution.

tion in the prison camps of Germany. This lifeline must be strengthened now. This is the important "follow through" period that means life or death to many.

Our casualties in hospitals both overseas and in Canada must receive the consistent thoughtful care which it has been our privilege to provide since the beginning of this cruel war. The output of supplies and comforts must be continued. Blood serum must be in readiness on all battlefronts and in all hospitals.

And on the home front we are pledged to build lodges in connection with the military hospitals in Canada where patients may meet with their kin in a homelike atmosphere, where their relatives may be accommodated if need be. Helpful services to the homecoming men and women of the fighting forces; to the wives of our servicemen and their children who will be our new Canadian— must go on.

Outpost hospitals for frontier settlements, nutrition service, home nursing and first aid and the work of the Junior Red Cross children all constitute a peacetime programme that must be maintained.

It would be folly to suppose that when the last shot is fired Canadian Red Cross could just fold its hands and sit back. Never in all history have so many countries been in need of immediate and extensive help.

When Canadian Red Cross asks for your donation— give from the heart. Give to the Canadian Red Cross as you would give to YOUR OWN!

Drive Opens Monday

The Red Cross Drive opens Monday across Canada and Canadians will be asked to donate ten million dollars. We must give till it hurts to aid those who have given their all in the cause for freedom. Everyone

should read the Red Cross article which gives some idea of what Canadian Red Cross is doing across Canada and in Europe to aid the suffering.

J. W. Evans is again Chairman of

the drive locally and districts and canvassers will be announced in a very few days. Get ready to give to your limit to aid the ones who have endured so much that freedom and democracy might prevail.

**YOUR Red Cross
Needs YOUR Dollars
for relief of suffering
NOW!**

Suffering mounts as the war progresses and victory nears. The merciful ministrations of your Red Cross are needed more than ever—for prisoners of war, wounded and sick, victims of Nazi persecution.

CREDIT UNION MEETS

The annual meeting of the Raymond Savings and Credit Union was held in the Town Hall Thursday night of last week. Due to short notice the attendance was rather small, but the business of the meeting was proceeded with. The annual report of the organization was presented and showed the finances in a sound position with good response from deposits and the fund steadily growing.

The following officials were elected for the coming year:

President—J. Vely Huggie.
Vice-Pres.—Albert Ralph.
Sec. Treas.—Rosa Larson.
Directors—Paul Fairbank and Marion Tolstrup.

Supervisory Committee—L. L. Barker, M. C. Vance and Archie Torry.
Credit Committee—Mrs. Elsie Mitchell, G. J. Gish and Ken Stone.
The report showed a membership at the present time of 80.

SOLO LOW HERE FRIDAY NIGHT

Hon. Solon E. Low, local M.L.A. and leader of the Dominion Social Credit Party will be here on Friday evening, March 2nd and will speak at a public meeting in the Opera House reporting on the progress of the party which he has been busy organizing since his appointment nearly a year ago.

ROTARY BIRTHDAY PARTY

On Monday last Rotary celebrated its fortieth birthday which was on Friday Feb. 23rd. A fine lunch was enjoyed topped off with a lovely birthday cake all festooned with raisins, nuts and what have you.

Tom Wood, first President of Rotary in Raymond cut the cake and the members sang happy birthday for Rotary while this was being done. Then a sing song was held and Howard Melchior was introduced as a new member and C.M. Ackroyd and O. Henderson were introduced by T. Geo. Wood as past presidents.

Frank Taylor a Past President of the Club rehearsed some of the local Club's history and named the Presidents that have held office since 1932 when the Outpost started and then gave a fine talk on the history of Rotary stressing the role that Rotary should play in the problems of the day.

Before a good-sized audience on Monday night the Union Jacks took the first of the Senior playoff series from the Magrath Lions by the score of 53-57 after forty minutes of sizzling play in which the difference in the scores was generally around three to eight points. Right from the first whistle to the last the teams were playing fast and aggressive ball whipping the ball from one end of the hall to the other in lightning combinations. The first few minutes of play the teams were content to just play ball and then as the going got tougher & the players commenced to tire there was some unnecessary shoving kneeling and holding when players came together. Rolison and Fletcher the wide men kept the game well in hand but they were kept travelling to keep up with the play and several decisions were loudly booed by the more rabid of the fans. Magrath drew 15 penalties and had two men sent to the showers and Raymond had 16 whistled against them and also two players.

Wood was the spark plug of the Magrath team despite his shortness he was always in position and dinked the apple with painful precision from almost any position. Hamilton also of Magrath made some beautiful shots and backed his team in a fine game.

For Raymond Ira Bourne turned up the floor with his charges and gave a good job of helping himself to the ball even when the opposition held it in both hands. He seemed to be everywhere and was going the full time. Turner lead the Jacks in scoring with 18 points followed by Nalder with 16 and Bourne with 12.

Magrath is riding three Cardston players on their team this season and inability of these players to get to all practices because of the distances rather worked a hardship on the rest of the team who stayed on as long as possible to maintain the team combination and plays. At that they gave Raymond a real run for their win and made them fight every inch of the way.

Following is the lineup and points of the two teams:
Magrath Lineup: Wood 17, D. Sahby 10, B. Sahby 12, Hamilton 12, Toomer 1, Cardwell 1, Sloan, M. Spenser. Total 53.
Jacks: Nalder 16, Walker, H. Walker 2, Turner 18, Melchior 7, Bourne 12, Evans, Rolison 4. Total 57.

Teddy Brewerton is now in the Active Army and is in training in Calgary.

Aaronic Priesthood Night At 2nd. Ward

The program Sunday evening last in the 2nd Ward was presented by the Aaronic Priesthood. Quorums mostly and their work, Jack Stevens, Leo Fairbank, Ronald Spackman and Dietrich Ghimblech, and Donnet Sabo spoke briefly on the responsibilities of the boys in the various quorums.

Mr. and Mrs. Ira Fletcher sang a vocal duet, and then Elder Fletcher, who is a member of the Stake Aaronic Priesthood Committee spoke on the qualifications for winning the Quorum award and the individual Award and Congratulated the ward on the fine showing they had made. He told a story of the missionary experiences of Pres. Wilford Woodruff and encouraged the boys to be diligent in the future as they had been in the past.

The 5 quorum awards and 16 individual awards were then presented to the Quorums and the boys by Bishop L. L. Palmer who congratulated the boys and their quorum supervisors for the fine work they had done and the assistance they had given the Bishopric.

Pres. T. Geo. Wood spoke briefly on the life of Baden-Powell and the great good that Scout Work had accomplished in the world and he urged the boys to keep on as they had started and their success in life was assured.

Four boys, Gordon Ralph, Donald May, Allan Romeril and Jerry Finch were graduated from the Primary into the Priesthood and Mutual work.

Mr. and Mrs. Ira Fletcher sang a duet for the concluding number.

SHALL WE BEAUTIFY OUR TOWN

It has been quite a few years since a joint, clean and bright up campaign was launched in the Town and it seems about time that our Council Board of Trade or Service Clubs should again get busy and either separately or collectively sponsor a beautification campaign to improve the Town.

While we would not advocate excessive spending in opposition to the desires of the Governments that economy be practised, yet it is our opinion that by collective bargaining for paints, shrubs, trees or whatever may be needed for a clean up campaign, that much could be accomplished for the amount usually spent each spring in what we feel like has to be done.

Unpainted frame houses, sagging fences and gateless entrances where a gate should be create an unfavorable impression that leaves a bad taste. Fixing of these things are not very expensive and they add a great deal to the sum total of the appearance of a town. Let's fix up a bit.

There were eleven patients in our Hospital on Monday this week with one baby very ill. This is the infant of Mr. and Mrs. McEman, the father being overseas. We are glad to report that the baby is better now.

The 2nd Ward Genealogical class held a social hour Sunday evening after Church at the home of Bishop and Mrs. L. L. Palmer. A project of the class is for each member to write his or her personal history and several of these sketches were read and were very interesting. Those present all agreed to get busy now and write their own story.

SOIL DRIFTING CAN BE STOPPED

The menace of the black blizzard is on the loose again in southern Alberta. Bare ground and high winds following a dry summer and fall have resulted in severe soil drifting on at least fifty per cent of the summerfallow in southern Alberta. Those who thought they had this problem licked, once and for all were too optimistic. Soil which is now moving will undoubtedly continue to do so for the rest of the winter and if the spring is dry and windy the problem of establishing a crop will be serious.

Winter drifting of soil can be checked easily and cheaply. The simplest method is to remove all but every tenth pan from a one-way. Spacers should be put in and all end play taken up to avoid wear and breakage of pans. The field should be worked from the windward side if drifting is occurring while the work is going on, otherwise the east side of the work will be covered over before the drifting is checked to west of it. A one-way with reduced number of pans on ground frozen below a few inches will pull lightly. The cost therefore of checking drifting will be low, not more than 50c an acre. This method has proven effective even in severe cases. A duck foot cultivator with half the shoes removed is very good where the frost is up to a considerable depth but a one-way or common disk with pans removed is more effective where there is frozen ground near or at the surface.

The cost of checking soil loss will be returned many times in added yield over the years.

Soil drifting is a serious problem to all of us. The soil is our greatest resource and if it is wasted the economy of our country will fall untimely. Any farmer who allows his soil to blow away is not only ignoring his own welfare but he is also failing in his responsibility as a guardian of Canada's greatest resource.

If the spring is dry and windy many farmers will find it difficult to get a crop up and high enough to avoid wind damage. The following methods of checking soil drifting in the spring have proven satisfactory. Drifting summerfallow may be plowed and seeded immediately after. In left severe cases seeding may be done as usual and then the field should be gone over with a duck foot cultivator to bring up lumps and damp soil.

No doubt many farmers have found their methods that work well under your particular conditions. This office would like to hear about them if you have.

Whatever you do, don't stand idly by and see your valuable top soil blow away. Control methods are too simple and cheap and the results are too serious.

W. R. HANSON, CARDSTON

David J., son of Mr. and Mrs. Juntus L. Anderson arrived in Calgary from overseas on Tuesday of this week crossing on the Letitia. He will be hospitalized in Calgary for some time recovering from the leg wounds he received in Italy. His parents were in Calgary this week to visit with him in hospital. Of the 53 Albertans returning on this train, all but ten were stretcher cases. Myron Berry of Cardston recently decorated was also amongst the group.

DID YOU KNOW

British factories can now turn out glass strong enough to be bullet-proof or fine enough to be woven into fabric.

Tanks and bombers are now fitted with bullet-proof windows.

At the same time a Scottish factory is now drawing glass thread one fifth the thickness of human hair. Millions of glass marbles made from special raw materials are melted in electric furnaces, and from every pound of marbles about 175 miles of fine thread can be drawn.

Glass has thus a tremendous variety of uses. At present the electrical industry is the largest single user of glass silk cloths to insulate electric motors, generators and transformers. They do not rot, are unaffected by water and most chemicals, are vermin-proof, are so efficient that a thin layer is enough and so fire-proof that apparatus can operate safely at much higher temperatures.

A 10 h.p. motor insulated with cotton weighed 354 pounds. When insulated with glass fibre, the same motor weighed only 190 pounds, occupied only half as much space, and operated at higher speeds. Glass fibre insulation used in a battleship can reduce the weight by 500 tons.

Experts in Britain estimate that a material made of glass fibres reinforcing and binding plastics has the greatest strength in relation to weight of any material known. Already experimental aircraft have been built of this new plastic plus glass, and other developments are expected.

Again THE RED CROSS ASKS YOUR HELP TO HEAL A WAR-TORN WORLD **GIVE!**

• Wherever the great destroyer, War, has passed, pain, suffering and sorrow follow in its wake. Young men on the battlefield or in hospitals are tormented by sickness or wounds. Little children, mothers, aged people are homeless, hungry, cold. In every theatre of war, whole cities lie in ruins. Millions are suffering the pangs of disease, starvation and dire want.

So the Red Cross will continue to reach out a helping hand. It must heal

and comfort our own sick and wounded. It must send food, clothing, medical supplies to war-torn lands.

And the Canadian Red Cross will answer this urgent call. For the Canadian Red Cross is you and your friends and your neighbors, and all the good folks up and down this fair Dominion of ours. You will send help — yes, life itself — to the stricken people of other lands. You will stand staunchly behind your Red Cross, and — **GIVE!**

NOTICE OF PREPARATION OF ASSESSMENT ROLL

NOTICE IS HEREBY GIVEN THAT THE ASSESSMENT ROLL OF THE TOWN OF RAYMOND FOR THE YEAR 1945 HAS BEEN PREPARED AND IS NOW OPEN FOR INSPECTION AT THE OFFICE OF THE SECRETARY-TREASURER FROM TEN O'CLOCK IN THE FORENOON TILL FOUR O'CLOCK IN THE AFTERNOON ON EVERY DAY WHICH IS NOT A PUBLIC HOLIDAY EXCEPT SATURDAY, AND ON THAT DAY FROM TEN O'CLOCK IN THE FORENOON UNTIL TWO O'CLOCK IN THE AFTERNOON, AND THAT ANY PERSON WHO DESIRES TO OBJECT TO THE ENTRY OF HIS NAME OR THAT OF ANY OTHER PERSON UPON THE SAID ROLL, OR TO THE ASSESSMENT OF ANY PROPERTY OR TO THE ASSESSED VALUE PLACED UPON ANY PROPERTY, MUST ON OR BEFORE MARCH 29, 1945 LODGE A COMPLAINT IN WRITING WITH THE SECRETARY-TREASURER.

DATED THIS 27th DAY OF FEBRUARY 1945.

WARREN L. JONES,
SECRETARY-TREASURER

Tonight in Magrath the Jacks meet Magrath Lions in the second game of their best three out of five playoffs.

Mr. and Mrs. H. Myron Holmes, Mr. and Mrs. Wm. C. Stone and Mrs. T. Geo. Wood left Monday morning for Calgary. While there they intend to listen to the presentation of a number of operas presented this week.

NEWS NOTES

The management of the Bowling Alley changed the end of the month when Mr. and Mrs. Layno gave it up and Lee Brewerton took it over again pending permanent arrangements.

Elders C. M. Ackroyd and O. Henderson of Marath were Raymond visitors Monday on their way to the Wrentham district for a week of missionary labor.

Dr. Rusk was here last week and tested the Hancock dairy herd for Bangs and just previously Dr. Allen tested for T.B. The herd tested negative throughout and patrons are thus assured a pure milk supply.

Lemon Juice Recipe Checks Arthritic Pains Quickly

If you suffer from arthritic, rheumatic, or neuritic pain, try this simple, inexpensive home remedy. Get a package of Ru-ex Prescription from your druggist. Mix it with a quart of water, add the juice of 4 lemons. It's easy and pleasant.

You need only 2 tablespoonsful two times a day. Often within 48 hours—sometimes overnight—splendid results are obtained. If the pains are not quickly relieved and if you do not feel better, Ru-ex Prescription will cost you nothing to try. Your money refunded if it does not help you. Ru-ex Prescription is for sale and recommended by

Raymond Pharmacy

And other leading druggists.

Jack MacPhoe has moved his recently purchased home onto a lot he bought from Jack Hervey and he will move into the new home very shortly.

CORRESPONDENCE

TO THE EDITOR

May I address a letter through your columns to those of your readers who had the privilege of knowing Dr. G. W. Kerby, in whose memory Mount Royal College is about to erect a building devoted to the education and inspiration of youth.

Many of them may have heard, as I did, the tributes paid by Rev. Andrew Lawson of Central Church, over the radio a week ago and may have been carried back, as I was, to the Sunday afternoon meeting of the Men's Own, where Dr. Kerby welcomed newcomers from all parts of the globe and started them out to the farms and smaller centres of this country with a new song on their lips, a new hope and confidence in their hearts. Dr. Kerby personified the friendship of the West.

As my thoughts went back to those days I wondered how many who knew Dr. Kerby would like to say so, in short letters to be deposited in the corner stone of the Memorial or included in the Book of Remembrance now being prepared. There must be 100,000 of them.

Some find it difficult to write. Let me make a suggestion to them. If each one of that 100,000 would send a bill (even a dollar) and tell of good deeds they know Dr. Kerby to do, the whole cost of the Memorial Building would be met. What could be a sounder foundation for such a structure than a record of his good works or what could inspire the youth of this land better than this.

The West is still young. It is still in its formative stage. Dr. Kerby made a magnificent contribution to the period in which he lived. Others may follow his example and we who have benefitted by it have an opportunity now, in this enterprise to perpetuate his good works and his influence for good. I earnestly hope that all who read this letter will respond quickly and with a smile, sending their letters and gifts direct to the Principal of Mount Royal College, Calgary.

Yours truly,
Wilber Horner,
One of the Men's Own.

BREWERTON'S

KNOW the TRUTH about the C. C. F.

The C.C.F. has always said it does not intend to socialize small businesses. At the last National Convention a clause was inserted in our program making it quite clear that small businesses would not be interfered with by this People's government as long as they were performing a useful service and were not exploiting the people.

That is why so many small business men are now supporting the C.C.F. Get behind this movement now and assure continued prosperity after the war.

If YOU work for a living THIS is your PARTY. Inserted by the Leth. Federal Constituency Ass'n. in the interests of W. W. SCOTT, Candidate. Listen to CJOE every Thursday at 10:15 p.m. CJOE every Monday at 10:15 p.m.

Clip this advt. and send it to your boy overseas.
